

Artwork Specifications & Dimensions

You can supply your artwork ready for print or you can supply the contents of your advertisements and we can design your artwork.

If you are supplying your own artwork please check the following:

- Files must be supplied as Photoshop, Illustrator, InDesign, or Quark, high-resolution pdf, eps or tiff.
- Please set the artwork to 25% of full size.
- Colours should be CMYK
- All artwork should be prepared as shown observing the safe copy area
- Text should be vectors so that it is crisp when scaled up for printing
- Images should be a minimum of 300dpi, with 450dpi the recommended size
- Please supply a colour proof and a low-resolution pdf with all artwork submitted
- Send completed artwork to:- matt@showcasoutdoor.co.uk
